# DYING TO MEET YOU!

Anniversary Conference of the  
Dutch Forensic Medical Society (FMG)

Dear colleague,

In 2020 the Dutch Forensic Medical Society (FMG) is celebrating its 40th anniversary of contributing to medical forensic science and education in the Netherlands. Because of Covid-19, we celebrate this anniversary in April 2021.

We invite you to join us in Rotterdam for an exciting scientific meeting. The motto of the conference - **Dying to meet you** - reflects our need to connect with international colleagues to enhance global forensic medical knowledge.

Meet and listen to distinguished experts from eight different countries all over the world. Recent developments will be discussed in the fields of Forensic Medicine, Forensic Science, Pathology, Law and Human Rights.

The call for abstracts is open. Join us in Rotterdam to share your own cutting-edge research.

Visit the website [www.dyingtomeetyou.nl](http://www.dyingtomeetyou.nl) to see how you can register and how to submit an abstract.

**- we're dying to meet you! -**
